

Friday 15th September

Dear families,

Following a surveyor's visit, I am very pleased to confirm that we will be increasing our on-site provision from Monday. There is more information about our work with surveyors and the DfE in the letter from Fiona Hammans.

Our plans for having students on site for next week are as follows:

All students will be following their normal school timetable every day (they have been given paper copies but also available through Bromcom and MCAS). For students working from home their work will continue to be available daily at the following link:

I can also confirm that our Parents Information Evening will be going ahead:

- Tuesday 19th Year 12 PIE at 6.00pm – Venue: Fitzharrys Main Hall.
- Thursday 21st Year 11 PIE at 6.00pm – Venue: Fitzharrys Main Hall.

Some of you have asked about the possibility of moving to live lessons. We have worked in school, and with the DfE, on a transition to this form of working from home should this situation continue. We are working to ensure that all students have the resources they need for this. However following recent news we are now hopeful we won't need to move to this phase.

I understand the frustration you must feel that we are not able to give you more certainty on the timescale for a full reopening of our school site. It is simply because we do not have this information yet. As soon as we do, we will let you know.

Yours Sincerely

Alastair West
