Introduction

This policy has been developed to embed safe and consistent recruitment practices and procedures throughout the schools in the Trust, and to support the creation of a safer culture by reinforcing the safeguarding and well-being of children and young people in our care. This policy complies with guidance outlined in 'Keeping Children Safe in Education' and will be scrutinised and adopted by the Trust Board and reviewed annually.

The Trust recognises the value of, and seeks to achieve, a diverse workforce. The Trust is committed to ensuring that the recruitment and selection of all who work within the Trust is conducted in a manner that is systematic, efficient, effective and promotes equality of opportunity.

This policy reinforces the expected conduct outlined in the Code of Conduct for each school, as well as the Trust's Whistle Blowing Policy with which all staff are expected to be familiar. All successful candidates for paid or volunteer employment will be made aware of these documents.

This policy is an essential element in creating and maintaining a safe and supportive environment for all pupils, staff and others within the school community, and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:

- attracting the best possible candidates/volunteers to vacancies
- deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
- identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people

Abingdon Learning Trust is committed to using procedures that deal effectively with those adults who fail to comply with its and the schools' safeguarding and child protection procedures and practices.

Roles and Responsibilities

The Local Academy Committee (LAC) of each school will:

- ensure the school implements this policy and has procedures in place for the safe and fair recruitment and selection of staff and volunteers in accordance with Department for Education guidance and legal requirements
- monitor the school's compliance with them
- ensure that staff and governors who are involved with staff and volunteer appointments are familiar with this policy.

The Headteacher will:

- ensure that the school operates safe and fair recruitment and selection procedures as set out by the Trust, and that match the latest requirements as set out in legislation and guidance
- ensure that all appropriate checks have been carried out on staff and volunteers in the school
- monitor any contractors' and agencies' compliance with this document
- promote the safety and well-being of children and young people at every stage of this process.

Identification of the Recruitment Panel

At least one member of the Selection and Recruitment Panel will have successfully completed training in safer recruitment.

Shortlisting and References

Applicants will be shortlisted against the person specification for the post.

Two references, one of which must be from the applicant's current/most recent employer, where possible, will be taken up (preferably) before the selection stage so that any discrepancies may be probed during this stage of the procedure (note: references should come from the Head of the previous organisation, not a colleague; or from a line manager, if not a school employee).

References will be sought directly from the referee and, where necessary, will be contacted to clarify any anomalies or discrepancies. Detailed written records will be kept of such exchanges. Where possible references will be requested in advance of interview.

Where necessary, previous employers who have not been named as referees may be contacted in order to clarify any such anomalies or discrepancies. Detailed written records will be kept of such exchanges.

Referees will be asked specific questions about the following:

- The candidate's suitability to work with children and young people
- Any substantiated allegations
- Any disciplinary warnings, including time-expired warnings, relating to the Safeguarding of children and young people
- The candidate's suitability for the post.

Reference requests will include the following:

- Applicant's current post and salary
- Disciplinary record

All appointments are subject to satisfactory references and vetting procedures as listed in Keeping Children Safe in Education and DBS clearance.

Internal applicants should provide the names of two referees who can be contacted (internal to the Trust, or external) in support of the new role, in the following situations:

- Posts that are advertised internally to the Trust or within one school, if the new post requires a new Contract of Employment (e.g. the Terms and Conditions are different), for example;
- If a teacher is moving to or from the Leadership Spine or Lead Practitioner Spine;
- Or a member of support staff moving to a role at Grade 10, or above;
- Or a move from support contract to teacher contract, or vice versa;
- Or there is a move to a new school within the Trust.

If the new internal role is a renegotiated job description, with no change to Terms and Conditions, then additional references are not required.
